## HELP SHORTEN THE WAR BUY THOSE BONDS NOW!

Last week's bond sales were far ahead of any previous week, both as to "E" bonds sold and total of all bonds sold for the week of May 19 to May 28. Total sales amounted to $72,489.50 while "E" bond sales for the period came to $58,619.50.

In order to meet the quotas for the "Mighty Seventh" it will be necessary to increase sales each and every week, but remember—each bond sold is a direct "slap at the Japs."

Walter J. Lehigh, in announcing the totals for the Seventh War Loan drive as of Monday, May 28 wished to thank the parent-teacher organizations of the Crocker, General Pershing, and Woodrow districts for their assistance in the house-to-house canvass thus far.

Old Glory Post and Auxiliary have taken over the bond booth at the Daly City theatre until June 4 inclusive. Workers at the booth include: Mrs. Dolly Hancock, Mrs. Ruth Brulez, Mrs. Hattie Bellando, Mrs. Bonnie Ellinwood, Mrs. Mary Sunseri, Mrs. Nellie Jense, Mrs. Muriel Walsh, Mrs. Ethel Dorn, Mrs. May Baggs, and Mrs. Allene Lehigh, bond chairman for the organization.

## Mexican Farmhand Stabbed In Colma Pre-Dawn Mystery

Mysterious stabbing of Arturo M. Estrada, 24, Mexican farm hand employed at the Garibaldi ranch near Colma, in the predawn hours of Monday morning resulted in Estrada being taken to the Community hospital at San Mateo, suffering from cuts about the head.

Miss Imelda S. Shannon, 35, of 208 Second avenue, San Francisco, daughter of a former San Francisco supervisor, and her companion, Master Sergeant Knight B. Williams, 43, of 4563 Twenty-fifth avenue, San Francisco were taken to the San Mateo county jail at Redwood City by deputy sheriffs summoned to the scene, where Sgt. Williams was charged with assault with a deadly weapon and Miss Shannon held as a material witness.

According to Estrada's story, told deputy sheriffs through an interpreter, he was on his way to work at the Garibaldi ranch, about 3:45 a. m. Monday morning, when he heard the screams of a woman coming from an automobile parked at the side of a by-road just off Junipero Serra boulevard.

Running to the car, Estrada says he thrust his head inside and was stabbed in the head. Sgt. Williams at first claimed he and his companion had been attacked by "four or five foreigners," and used his pen knife in defense, but later denied the statement. Miss Shannon, said she could not explain the incident because she "blacked out" after leaving a San Francisco beach roadhouse. Somewhere during the night or early morning she picked up a pair of black eyes and a cut instep.

Estrada's condition was reported as not serious by hospital officials. Sheriff J. J. McGrath of San Mateo county was investigating the affair this week.

Miss Shannon was released Tuesday by authorities, who indicated she was of no value as a witness, because of her admission she had "blacked out" earlier in the night, and knew nothing of the affair.

Sergeant Williams was arraigned before Judge R. A. Rapsey in South San Francisco and released on $2500 bail.

## Peterson Takes On All Comers In Political Battles

County Executive Frederick Peterson and the San Mateo County Board of Supervisors went round and round last week in a political tempest that equalled anything in recent years. Cause of the furore was request of several county departments for new help.

Peterson and some of the supervisors seemed to agree that county department heads had requested several new employees not needed. What they disagreed on, was how to handle the requests.

Supervisor Thomas L. Hickey suggested that efficiency experts investigate each county office and determine the number of employees needed.

This aroused Peterson's ire, the county executive explaining that an efficiency survey would be a waste of the taxpayers' money. He said that if the supervisors would cooperate with him and forget politics, thousands of dollars could be saved the county each year.

"Every year, I have recommended an elimination of new personnel but the board has always ignored my recommendations," Peterson said.

Many of this year's new positions are in the health and welfare department, and this gave Peterson an opening to revive a six-year old feud with the supervisors, and renew his attack on health and welfare director, Dr. Charles C. Gans. At that time Peterson recommended the appointment of Dr. John Fuller of Santa Cruz to the office, but the board ignored the recommendation and appointed Dr. Gans. Dr. Fuller was recommended by the United States Public Health Service.

Another matter that is coming under Peterson's disapproval is the recent choice of the county planning commission and the county probate committee of a site on Old County road near Redwood City for a new county juvenile home. Peterson favors construction of the new home on property already owned by the county near the relief home west of Belmont.

"Why should the taxpayers have to foot a bill of approximately $30,000 for a new site, when an ideal one is available on property already owned by the county?" Peterson asked.

## Church Officers To Discuss Plans For New Building

Forty-five members of the Senior High School Westminister Fellowship group had a wiener roast at Thornton Beach Tuesday evening, May 29.

Friday, June 1 at 7:45 p. m. church officers and their wives will meet to take future steps in connection with the erection of a new church building.

The Sunday school will hold its children's day program on Sunday, June 10 at 11 a. m. At this time the nursery department will graduate its class into the beginner's department. They will be dressed in caps and gowns. Baptism of children will also be held during this service.

## Girl Scouts Aid Bond Sales In Present Drive

Daly City Girl Scouts officially opened the Seventh War Loan drive on Monday, May 14, by selling bonds in the lobby of the Daly City theatre and continued through Sunday, May 20.

Among the Scouts and Brownies working for the bond drive were Ruby Lovette, Marion Elliott and Madeline Moltzer of Troop No. 2, Jean Murphy and Josephine Murphy of Troop No. 3, Nancy Banfield and Beverly Gelinas of Troop No. 4, Diane Hale of Troop No. 5, Shirley Saame and Joanne Hyder of Troop No. 12, Claudia Rowley, Shirley Van Vliet and Carol Donaldson of Troop No. 13 and Brownies Evelyn Rolff, Louise Banfield, Carole Hesselein, Jeanne Saame, Claudia Hyder, Heather Bridges and Joan Van Vliet of Pack No. 8, Marjorie Duncan of Pack No. 10, Barbara Erickson, Lorna Perrier, Carol Ponthriand and Marguerite Cripps of Pack No. 11.

Several leaders also helped out in the drive including Mrs. Louise Buttle, Mrs. Cecelia Hale, Mrs. Zella Gelinas, Mrs. Lena Banfield, Mrs. Ruth Rowley, Mrs. Helen Thornton, Mrs. Ethel Saame, Mrs. Dorothy Erickson and Mrs. Lorna Perrier.

The Scouts sold $825 worth of bonds and over $35 worth of stamps during the first week of the bond drive.

### *Auxiliary Aids In Memorial Services*

Old Glory Auxiliary No. 2044, VFW, assisted Old Glory Post in paying tribute to soldiers of World War I and II by decorating their graves. The tribute at the Presidio Cemetery was made on Sunday, May 27. On Wednesday, May 30 they visited graves in different cemeteries ending up at the National cemetery, San Bruno, where the members participated in the Memorial Day exercises.

Members participating were Mrs. Rose Doolin, Mrs. Dolly Hancock, Mrs. Ruth Brulez, Mrs. Hattie Bellando, Mrs. Muriel Walsh, and Mrs. Allene Lehigh.

## Eagles Plan Installation On Thursday, June 7

Past worthy presidents of Colma-Vista Grande Aerie No. 1848, Fraternal Order of Eagles will install newly elected officers of the Aerie at its meeting Thursday night, June 7, at Little Italy hall, 6229A Mission street. Installation ceremonies will be in charge of Arthur J. Bodien representing the grand worthy president and Fred Collins, grand worthy conductor.

Officers to be installed are: worthy president, Gus Ford; worthy vice-president, Allen Brush; worthy chaplain, Emilio Bertelli; worthy secretary, William . Bolger; worthy treasurer, Otto Schramm; worthy conductor, Ray Lagomarsino; inside guard, Stephen Passafiume; outside guard, E. James Smith; trustee, E. A. Ferretti. Glen Wilkes is outgoing worthy president.

Delegates to the state aerie convention will be: Lagomarsino, Ferretti, Passafiume, Larry Shaw and Dan Gray. Alternates — Smith, Bertelli, Frank Davison, William Miller and Arvid Peterson.

Following the installation and regular business meeting, a grand social time is promised all members who attend by Chairman Allen Brush of the social committee who has arranged for oodles of food and refreshments to be served.

## Volunteers Help Boost Poppy Sales

The following volunteer workers helped make the annual "Poppy" sale a success: Leslie Hanson, Margaret Kenney, Naomi Murphy, Olga Bordson, Ann Welsh, Kathleen Matzek, Anita Smith, Helen Emerson, Mary Crane, Hilda Prziborowski, Garnet Stahlman, Lucille Shreve, Catherine Foreman and Marce Trier. John Derungs and Raffo's grocery store also did their share.

Mrs. Vivian Pahlka, poppy chairman of the American Legion Auxiliary, Daly City Unit No. 410, wishes to thank them for their help.

## Old Fire Trucks Are Disposed Of; Three Net City $20

Final approval by a unanimous vote, after a second reading of the new franchise to be granted Pacific Gas and Electric Co.; selection of a new fire commissioner for Department No. 6; granting of a request by the street department for a new employee in that department; and sale of four auxiliary fire trucks of ancient make were most important matters transacted by the local city council at its regular meeting Monday night. A meeting that was extremely short and quiet, as compared with other meetings of recent date.

Mayor Gaggero, Councilmen Lynch, McHugh, Dennis and Craig, City Clerk B. C. Ross, City Attorney Hoffman and Building Inspector Arthur Bodien were all present, the only absentee being City Engineer Klassen.

After a second reading of the new P. G. & E. franchise by City Clerk Ross, the council voted unanimously to grant it. A communication from P. G. & E. was read and filed, and an accompanying check for $1600, first payment on the new franchise was ordered accepted and placed in the City Treasury.

A letter from the board of fire commissioners stating that George Volkman, member from Department No. 6, had resigned and asking that E. Martinez be appointed in his place was read, also a letter of resignation from Volkman himself. The council voted to accept Volkman's resignation and appointed Martinez in his place.

A communication from the street department indicated that said department was in dire need of another employee to help in keeping the city's streets cleaned, and the council voted to permit such an employee to be hired. Superintendent A. J. Bodien was empowered to select a man for the job.

Only one bid was received for any of the four old fire trucks. This was for a G Boy Panel Graham 1926 model truck, a bid of $132 made by Ferretti Bros. This bid was accepted and when it was announced that no bids had been received for the other three trucks, the Ferretti Bros, representative indicated he was willing to purchase the three for $20. Councilmen decided to accept the offer.

The three trucks included in this latter offer were a panel body, '32 model Studebaker 6 truck, which had been used by the fire department as a water wagon; a Locomobile Fire Truck, 1917 model, without tires; and a Locomobile Fire Truck, 1915 model, also without tires.

## Service Club Entertains 68 At Spaghetti Feed

Mrs. Ann Eason, Mrs. Mazie Boyle and Mrs. Margaret Steele were hostesses for the second anniversary of the Daly City Servicemen's club held Tuesday, May 29, at 6201 Mission street. Credit must also be given to Mrs. Mary Conti and Mrs. Felix McKeown who cooked spaghetti for 168 boys who were present.

The table was decorated in pink and white, the center piece being a large birthday cake donated by the Byrne Radio store. The menu consisted of spaghetti, salad, roast beef, french bread, pies, cakes and coffee.

A very enjoyable evening was spent by all who attended. The dinner was good and there was plenty of dancing, community singing and games of all kinds.

## TOO LITTLE, TOO LATE, AGAIN?

With the tide of war running heavily in our favor and with supplies pouring to the battle front we thought the cry, "Too little, too late" was forever done as far as we are concerned. But apparently it is not.

This time the "Too little, too late" comes in the field of international law in regard to war criminals.

Allied officials have long known that major war criminals would eventually be captured. They knew that unless these criminals were speedily tried and severely punished there would be a repetition of the mockery of justice which followed the last war. They knew such an occurrence would weaken world morale and hasten another great conflict.

It would be expected, therefore, that they would have had a tribunal already set up and ready to function when the collapse of Germany came. But no such court exists—and may not for some time yet to come.

Why not? Apparently because more time has been spent arguing about technicalities than getting the actual machinery organized.

There also have been rumors that some Allied officials are not anxious to have such men as Goering and Laval brought to public trial since some of the facts that might be revealed would prove "embarrassing" to these Allied officials.

How accurate such rumors are, we don't profess to know. But we do know that unless the wheels of justice are put into motion very quickly, a great deal of irreparable damage will be done.

The people must demand swift and vigorous action.

## MORE GAS!

"More gas."

Sweet words, especially when they're official. And they are. Each thirsting "A" card holder will receive six gallons for each coupon due after June 21 instead of four.

Well, it's encouraging to see that our victory in Europe is paying off in some small dividends on the home front. This extra allotment of gas, however, should not lead us to think that the need for gas conservation is past.

Gasoline requirements are still tremendous. The amount of fuel needed for transporting the mountains of war materials destined for the Pacific is astronomical. Here in California, which will act as the funnel through which supplies and men will be poured into the Pacific the gasoline demand will be especially heavy. This follows from the fact that trucks must move the bulk of the tonnage to the docks. Trucks also handle two-thirds of all California's intrastate commerce, a large part of which is war goods.

It is obvious, then, that the demand for essential gasoline for our fighting forces and for the vehicles to move supplies to them remains great. So, let's enjoy our extra allotment, but let us remember that "gas powers the attack" and that we shouldn't waste a drop of it.

## HANGMAN HIMMLER

Heinrich Himmler—true to type—took the easy way out.

The man who had directed the slaughter of millions and had helped to devise the slowest and most torturous means of killing other millions, saw to it that his own death was swiftly accomplished.

His demise strikes one of the blackest names from the blackest list of criminals ever to be compiled in human history. Only Joachim von Ribbentrop, notorious Foreign Minister for Hitler, remains to be accounted for among the top Nazis.

Although Himmler was diabolically clever, his attempts at concealing his identity, when arrested, quickly proved futile.

Now that the Gestapo ringleader is out of the way, the search for his equally cruel and murderous subordinates must be pressed with unceasing energy and determination. If possible, not one with the blood of innocent persons on his hands must be allowed to escape.

## TOKYO BECOMES "TAKEYO"

Recently a radio comedian said that Tokyo had taken such a beating from our air giants that it was going to be renamed "Takeyo."

Well, since then the B-29's have really gone to work on Hirohito's capital city, and if the Japs could have heard that joke it would have had more stark terror in it than humor. After all, 4,500 tons of fire bombs that burn at a heat of 6,000 degrees Fahrenheit can do a tremendous amount of damage. And that's the tonnage which a big formation of our heavy-heavies now drop in a single raid.

How long Tokyo will continue to "takeyo" before the Nips holler "uncle" is anybody's guess but we have reason to believe that they're wondering why in the blazes they ever started this war, anyway.

## Tin Cans May Be Left At Schools

Although the recent tin drive is over, R. L. Crane, principal of Jefferson Elementary School district, states that anyone wishing to dispose of tin cans may leave same at any of the local grammar schools.

The cans should be properly cleaned and flattened so as to facilitate handling and processing.

## Announce New Time Schedules For Sunday Games

New time rules for starting baseball games at Marchbanks park, when more than one game is scheduled there, have been put in effect by officials effective this Sunday, June 3.

If a morning game is scheduled, no inning of that game will be permitted to start after 12 noon, no matter what time the game gets under way. No inning of the first afternoon game will be permitted to start after 2:30. There will be no time limit on the final game of the afternoon, which may continue until it is too dark to play, if that much time is needed. Umpires of each game shall be the timekeepers of that particular game.

Marchbanks park officials adopted these time rules this week, after a conference with officials of the Baseball Managers' Summer league, some games of which are played at the local diamond each Sunday. These are the same rules as are now in use at "Big Rec" diamonds where most of the Managers' Summer league games are being played.

## SURPRISE SHOWER FOR AILEEN BYRNE

Mrs. Dorothy McDonald, 44 San Pedro avenue was hostess for a surprise bridal shower in honor of Aileen Byrne, a prospective June bride. She was the recipient of many beautiful gifts.

The dining room was decorated in white. The centerpiece was a church with a bridal party entering it. Favors were doll brides. A beautiful cake decorated in blue and white completed the setting.

The guests present were, Alice Amend, Bernice Dalton, Frances O'Brien, Catherine Tabor, Betty Yager, Marilyn Mosman, Evelyn Mosman, Betty Traynor, Gladys Donnelly, Helen Byrne, Lorraine Byrne, Kathryn Sundermann, Elinor Byrne, Gertrude Hutchinson, Georgette Howard, Margaret Hoerner and the hostess Dorothy McDonald.

## Theatre Announces Bond Show Premiere For Saturday, June 12

Art Kloth, manager of the Daly City theatre, announced last week that on Saturday evening, June 12 the Bond Show premiere will be held.

Tickets for the show may be purchased at the local banks and the theatre.

In addition to the premiere showing of a Hollywood production, the dramatics class from Jefferson, under the direction of Miss Barbara Schmidt, will present a melodrama skit entitled "Curse You, Jack Dalton."

## Junior Red Cross Members Tour Shipyards On Sunday

Members of the Junior Red Cross were rewarded for the work they have been doing for servicemen by being taken on an inspection tour of Hunters Point shipyards Sunday, May 27.

They were escorted by a guide who took them on various types of boats, such as battle ships, flat tops, destroyers, submarines and transports which are now at the yard for repairs.

According to R. C. Crane there were eight car loads of youngsters who enjoyed this inspection tour. They left Daly City at 1 p. m. and returned at 4 p. m.

## Twestens Move To Redwood City

Daly City lost one of her civic leaders Monday, when Julius Twesten, former merchant, councilman, school trustee and member of the local fire department, with his family moved from the former home at 306A Knowles avenue, to a recently purchased home on Canyon Drive in Redwood City.

Twesten formerly operated the Spring Valley Market, Los Banos and San Diego avenues, was a member of the city council for several years, and also was formerly a member of the Jefferson Union High School Board of Trustees. He joined the local fire department in 1921, serving faithfully for almost 25 years.

Mr. and Mrs. Twesten were accompanied to their new home by their daughter, Mrs. Irene Barthel, wife of Corporal Carl Barthel, stationed in England, and her daughter, Carol.

## TRAFFIC COURT FINES DECLINE

There were only a few fines paid by traffic offenders at the City Court, Friday, May 25, with Judge William J. Sweeney presiding.

Each of the following paid $5 for speeding: Raymond Clifford, Jackson Herbert, Wilmer Lunsey and Naoma Phillips. Duncan MacCallum paid $10 for the same offense.

Elsie Grant and Tage Peterson each paid $2.50 for going through a signal.

For improper parking Arthur Haskins paid $5 and Richard McFarland paid $2.50 for unlawful mufflers.

Thelma Parks was fined $15 for allegedly being intoxicated in a public place and Calvin M. Kantz paid $10 for malicious mischief.

## Troop No. 3 Girls Entertain At Party

On Friday afternoon, May 25, the girls in the 'Squirrel Patrol" of Girl Scout Troop No. 3 gave a party for the girls in the "Chipmunk Patrol."

Homemade cake and coke were served and an amateur hour, with each girl putting on some form of impromptu acting, was the entertainment feature.

Some badge work was also completed on that day.

# NEWS FROM JEFF HIGH SCHOOL

By Verna Moresco

**Election Time**

It's the time of year for election of student body officers at Jefferson High. Tuesday afternoon, May 29, campaign speeches were made by candidates for the various offices. Election was held Thursday, May 31, and the outcome will be announced next week.

Students running for office must have at least a C average before qualifying for a student body office. Candidates who spoke Tuesday were Harold Tikkanen, only candidate for the office of student body president; Louise Ross and Gloria Bacigalupi, aspirants for the office of student body vice-president; Frances Crossley, seeking re-election, and Barbara Ford, for the office of secretary; Marilyn Mosman and Mary Shackelford, both for the office of treasurer; Lorraine Sanders is the only nominee for the office of judge; Walt Shannon, sole candidate for sergeant-at-arms, and Colleen Robin, yell leader.

All candidates were assisted by campaign managers who tried to present their choice for these offices to the students in an interesting way.

**Presented Award**

Glenn Kollmann, graduating senior with the highest scholarship standing, was presented a year's subscription to the Reader's Digest in Tuesday's assembly by Walter Griffith, California Scholarship adviser.

Glenn, who is at present president of the CSF, was also winner of the Lincoln essay contest.

This award is given every year to the student with the highest scholarship standing of the graduating class.

**Winners of Essay Contest Announced**

Winners for the Soil Conservation Essay contest held recently were announced in last Tuesday's assembly by Ray E. Higgin of the San Mateo County Agriculture Conservation association. Awards were presented to Phil Morales, first prize; Betty Baker, second prize; Edith Clem and Lorelei Gamba, third and fourth.

**CSF Members Enjoy "Desert Song"**

On Wednesday, May 23, fifteen members of the California Scholarship society enjoyed the operetta "Desert Song" now playing at the Curran.

Members who attended the matinee performance were Miriam Miller, Verna Moresco, Phil Morales, Glenn Kollmann, Frank Devlin, Peggy Hanley, Norma Moore, Ruth Basso, Betty Pistohl, Lorraine Sanders, Donna McCoy, Frank Torkelson, Peter Ratto, Ben Picetti, Betty Carmichael, and Walter Griffith, adviser.

Following the performance many autograph "hounds" from the society went immediately to the stage door to secure autographs. One of the best signatures obtained was "Clarissa," star dancer of the production.

**Treat for Seniors**

Graduating seniors who are now members of the Jefferson Naturalist society are being "treated" to a nice day at Searsville in the near future by other members of the organization.

Graduating members are Lois Rich, Bill Higgins, Franklin Hukari, Barbara Blecher, Verna Moresco, Ed Boyle, and Ruth Basso.

A nice picnic luncheon and swimming will be enjoyed by all.

**Name Given for Festival**

The physical education department has decided upon "Festival of Nations" as the name for the evening of folk dancing to be presented by the girls soon.

The presentation is under the direction of Misses Claire Nace and Ella Redkey.

**Seniors Present Jinx**

The long-awaited Senior Jinx was finally presented on Monday, May 28. On the order of a minstrel show, the performance included the usual jokes, a chorus line, and the hero and villain plot.

Main characters were Bill Higgins, hero; Dan Shannon, villain; Willadean Colby, heroine; Charles Gardella, captain of the Jefferson "Ferryboat."

The orchestra for the program consisting of Emile Lemoine, Barbara Gregor, Bob Ramage, Don Bortis, George Perada, and Vincetta Turtureci played a medley of tunes from "Showboat."

Plaudits for the success of the production go to Emile Lemoine, chairman; and George Perada, and Beverly Clement, script writers and producers.

**Boys' Block Awards**

Awards for basketball, track, baseball, and interclass sports, were made on Tuesday, May 29 by Coaches Elman Rose and Marion Hall, and John McCarthy, coach for the Frosh-Soph baseball team.

Awards went to the following members of the 130 championship basketball team who received gold basketballs: Harold Tikkanen, reserve forward; Ed Denning, forward; Don Welsh, guard, captain for the year; Art Valverde, center; George Perada, guard; Ray Chelone.

Track awards for the 110 division went to: Jack McCaffrey, Mario Stanghellini, Gordon Cady, Walter Shannon, star; Jack Palm. 130 division: Al Francesconi, Bob Gregory, Eugene Somers, Clay Thompson, Don Van Kirk, star. Varsity: George Curry, Byron Kimler, Bill Bryant, Paul Pizzi, Bob Evans, manager.

Class winner for interclass track this year was the senior class. Awards went to Don Van Kirk, Franklin Hukari, Art Valverde, Ray Chelone, Don Welsh, Clay Thompson, Edgar Colby, Dan Shannon, Bill Bryant, Jack Palm.

*The Cost of Living Figures are based on U. S. Department of Labor statistics. The Cost of Gas and Electricity is based on rates paid by the average residential customer in San Francisco.

Prices of most everyday items always rise in wartime. It has been the same way through two World Wars, with one important exception...your gas and electricity. • Since 1914, your gas and electric rates have consistently gone down and stayed down. That is the reason why you are now using many more home appliances and using them for more hours per day than ever before, at the same low cost. ••• In times of peace and war... through depression and prosperity...the P. G. and E. Gas and Electric service has been dependable and cheap.

*Most Living Costs Today are UP but the Cost of Gas and Electricity is WAY DOWN.*

# Ordinance No. 249

ORDINANCE GRANTING TO PACIFIC GAS AND ELECTRIC COMPANY, ITS SUCCESSORS AND ASSIGNS, THE FRANCHISE TO USE, FOR TRANSMITTING AND DISTRIBUTING GAS WITHIN THE CITY OF DALY CITY FOR ANY AND ALL PURPOSES OTHER THAN THOSE AUTHORIZED UNDER SECTION 19 OF ARTICLE XI OF THE CONSTITUTION OF THE STATE OF CALIFORNIA AS SAID SECTION EXISTED PRIOR TO ITS AMENDMENT ON OCTOBER 10, 1911, ALL GAS PIPES AND APPURTENANCES WHICH ARE NOW OR MAY HEREAFTER BE LAWFULLY PLACED IN THE PUBLIC STREETS, WAYS AND PLACES WITHIN SAID CITY, AND TO LAY AND USE IN SAID PUBLIC STREETS, WAYS AND PLACES ALL PIPES AND APPURTENANCES NECESSARY OR PROPER FOR SAID PURPOSES.

The City Council of the City of Daly City does ordain as follows:

Section 1. Whenever in this ordinance the words or phrases hereinafter in this section defined are used, they shall have the respective meanings assigned to them in the following definitions (unless, in the given instance, the context wherein they are used shall clearly import a different meaning):

(a) The word "grantee" shall mean the corporation to which the franchise contemplated in this ordinance is granted and its lawful successors or assigns;

(b) The word "city" shall mean the City of Daly City, a municipal corporation of the State of California, in its present incorporated form or in any later reorganized, consolidated, enlarged or re-incorporated form;

(c) The word "streets" shall mean the public streets, ways, alleys and places as the same now or may hereafter exist within said city;

(d) The word "gas" shall mean natural or artificial gas, or a mixture of natural and artificial gas;

(e) The phrase "pipes and appurtenances" shall mean pipes, pipelines, mains, services, traps, vents, vaults, manholes, meters, gauges, regulators, valves, conduits, appliances, attachments,, appurtenances and any other property located or to be located in, upon, along, across, under or over the streets of the city, and used or useful in the transmitting and/or distributing of gas;

(f) The phrase "lay and use" shall mean to lay, construct, erect, install, operate, maintain, use, repair or replace.

(g) The phrase "constitutional franchise" shall mean the right acquired through acceptance by said grantee or its predecessor in estate of the offer contained in the provisions of Section 19 of Article XI of the Constitution of the State of California, as said section existed prior to its amendment on October 10, 1911.

Section 2. The franchise (a) to use, for transmitting and distributing gas within the City of Daly City for any and all purposes other than those authorized under said constitutional franchise, all gas pipes and appurtenances which now are or may hereafter be lawfully placed in the streets within said city, and (b) to lay and use in said streets all pipes and appurtenances necessary or proper for said purposes, is hereby granted to The Pacific Gas and Electric Company upon the terms and conditions set forth in the Franchise Act of 1937.

Section 3. Said franchise shall be indeterminate, that is to say, said franchise shall endure in full force and effect until the same shall, with the consent of the Railroad Commission of the State of California, be voluntarily surrendered or abandoned by the grantee, or until the state or some municipal or public corporation thereunto duly authorized by law shall purchase by voluntary agreement or shall condemn and take under the power of eminent domain, all property actually used and useful in the exercise of said franchise and situate in the territorial limits of the state, municipal or public corporation purchasing or condemning such property, or until said franchise shall be forfeited for noncompliance with its terms by the grantee.

Section 4. The grantee of said franchise shall during the term thereof pay to said city a sum annually which shall be equivalent to two per cent of the gross annual receipts of said grantee arising from the use, operation or possession of said franchise; provided, however, that such payment shall in no event be less than a sum which shall be equivalent to one per cent of the gross annual receipts derived by grantee from the sale of gas within the limits of such city under said franchise and said constitutional franchise.

Section 5. The grantee shall file with the clerk of said city, within three months after the expiration of the calendar year, or fractional calendar year, following the date of the granting hereof, and within three months after the expiration of each and every calendar year thereafter, a duly verified statement showing in detail the total gross receipts of such grantee during the preceding calendar year, or such fractional calendar year, from the sale of gas within said city. Such grantee shall pay to said city within fifteen days after the time for filing such statement, in lawful money of the United States, the aforesaid percentage of its gross receipts for such calendar year, or such fractional calendar year, covered by such statement. Any neglect, omission or refusal by said grantee to file such verified statement, or to pay said percentage at the time and in the manner specified, shall be grounds for the declaration of a forfeiture of this franchise and of all rights of grantee hereunder.

Section 6. This franchise is granted under and in accordance with the provisions of said Franchise Act of 1937.

Section 7. This ordinance shall become effective thirty days after its final passage, unless suspended by a referendum petition filed as provided by law.

Section 8. The grantee of said franchise shall pay to the city a sum of money sufficient to reimburse it for all publication expenses incurred by it in connection with the granting thereof; such payment to be made within thirty days after the city shall have furnished such grantee with a written statement of such expenses.

Section 9. The franchise granted hereby shall not become effective until written acceptance thereof shall have been filed by the grantee with the City Clerk.

Section 10. The City Clerk shall cause this ordinance to be published once within fifteen (15) days after its passage in Daly City Record a newspaper of general circulation published and circulated in said city.

First read at a regular meeting of the City Council of said city held on the 14th day of May, 1945, and finally adopted and ordered published at a regular meeting of said Council held on the 28th day of May, 1945, by the following vote:

Ayes: Councilmen Craig, Lynch, McHugh. Dennis, Gaggero.
Noes: Councilmen, None.
Absent: Councilmen, None.

# First Place Clash Features Sunday's Tripleheader Here

By Ted Shipley

With a battle for first place in the SFBMA Summer league headlining the program at 2:30, another tripleheader has been arranged for Marchbanks park Sunday by Al Erle.

And although neither of Daly City's "home' clubs, Longshoremen or San Francisco U. S. Marines are slated for action locally, it is doubtful whether baseball fans out here will miss them much.

The 2:30 topliner will bring together the undefeated summer league leaders, Frank Newman Furniture Co. and Laundry Workers' Union, racing just behind the fast-stepping Furniture crew. Due to one of the "Big Rec" diamonds being unavailable Sunday, another summer league game between Young Christian Workers and Grosso Music will be played here, starting at noon. At 10 a. m., O'Neill Drugs, fast junior team, which last Sunday upset Buzz' Shamrocks 5 to 0 on the local diamond, will cross bats with Aquatic Park.

The Newman-Laundry Worker contest should be a real crowd pleaser from start to finish. Both teams have heavy hitting crews, backed by fine fielding and capable pitching and each lineup is studded with Bay Region sandlot aces.

To date Newmans have defeated Shipbuilders 8 to 1; Campi Tavern 11 to 5; Western Pipe and Steel 6 to 3; Regal Pales 9 to 0; and Federal Outfitting 6 to 4 in league games. In those games the Newman players have smacked out 55 hits to their opponents' 29.

Laundry Workers have lost one league game, to Gordon Realty and the latter's ace pitcher, Ted Coffey, 5 to 2. The "dirty shirt" gang has dumped Western Pipe and Steel 14 to 4; Campi Tavern 11 to 8; Paul's Fountain 5 to 4; and Young Christian Workers 15 to 6. In the five games the Laundry Workers have secured 51 hits against 49 for their opponents.

Perhaps the most outstanding star in San Francisco High School baseball circles is Tony Chulla, diminutive second baseman of the Laundry Workers who led Mission High school to an undefeated season this spring. Tony led the High School league at the plate with an average of close to 500, and in five games with the Laundry Workers has pounded out 9 hits in 18 times at bat, an even 500 average.

It will be interesting to see what Tony can do with the slants of Elmer "Legs" Leggett, Newman mound ace, who ranks next to Coffey as the loop's outstanding pitcher.

Probable starting lineups of these two teams:

Newmans—Mangum ss; Kenna 1b; Kelly 3b; Baiocchi 2b; Brown lf; Cirimelli cf; Sheehan or Graber rf; White c; Leggett p.

Laundry Workers—Cullen cf; Chiosso lf; Waxstein rf; T. Chulla 2b; Steele 3b; McAllister ss; Byrne 1b; Wilson or Simi c; Foge or M. Chulla p.

Young Christian Workers and Grosso Music need no introduction to local fans. Two colorful teams, with several capable outstanding performers in each lineup, these two clubs have always given good accounts of themselves on the diamond—at least in games played at Marchbanks.

# Longshoremen To Play Bluejackets

This guy, Harry Maloney, who pilots the Longshoremen baseball nine, certainly believes in giving his boys tough opposition to shoot at. Maybe he has a right to—on most occasions the boys live up to Harry's expectations.

Last Sunday, at Vallejo, Maloney led the Longshoremen through two tough games, winning one, losing the other. In the afternoon, the Longshoremen came through with a 7 to 4 decision over the Sherry Builders, but in a night combat at another park in the same city, were forced to accept a 7 to 0 defeat at the hands of the rampaging Mare Island Sea Horses.

This Sunday, Harry leads his Longshoremen to Camp Shoemaker for a game with another outstanding service outfit, the Fleet City Bluejackets.

## BOARDWALK COMPANIONS

*PACE-SETTING fashions for sun and surf wear, introduced by CBS emcee Milo Boulton of "We, the People" during a showing of stylized cottons, were a sleek, form-fitting bathing suit with elasticized trunks and halter bra, and a ruffled play suit. Both were created by designer Carolyn Schnurer in drum print Soap 'n' Water pique, a fabric guaranteed to be "unconditionally washable" and banishing all fear of fading, shrinking or losing the original crisp finish.*

# Frank Rehe Juniors Win Doubleheader

The junior baseball team representing Frank's Union "76" Superservice stations copped a doubleheader at Ocean View park last Saturday. In the morning game, the Union "76" Juniors defeated the Eagles Juniors 5 to 3, and in the afternoon they dumped the Eager Beavers 3 to 1.

"Lefty" Goodnol, classy young southpaw, worked on the mound for the "76" lads in the morning game, with Richard Dale pitching the afternoon affair.

According to official team records, the Union "76" nine now sports a team batting average of .420, which is husky batting in any league.

Frank Rehe, owner of the two Frank's Union "76" stations and sponsor of the Union "76" junior baseball team, stated this week that Father McKenna of Our Lady of Perpetual Help church had agreed to organize a junior team composed of boys from that church of from 12 to 15 years of age.

Rehe has agreed to furnish jerseys similar to those worn by players of his own team, for the church team, he said.

# Ann Downall To Wed N. D. Morin

Our Lady of Perpetual Help church will be the locale for the nuptials of Ann Downall of Daly City and Norman Duane Morin of Arizona.

For her bridesmaid the bride elect has named Violet Zichosch. Fred Multri, U. S. Navy will be best man.

Miss Downall will wear a white marquisette gown with satin embossed design made with a sweetheart neckline. A heart shaped head piece will hold the finger tip veil in place.

The future bride is the daughter of Mr. and Mrs. Carl Downall, 18 Alexander avenue. She attended local schools and is a graduate of Crocker and Jefferson Union High school.

Mr. Morin is at present undergoing treatment at Oak Knoll hospital.

Following the ceremony, which is to take place at 3 p. m., a reception will be held to which approximately 80 relatives and friends have been invited.

The first permanent European settlement on the American mainland was made by the Spaniards in Colombia in 1510.

### PERMANENT JOBS FOR WAR VETERANS IN AVIATION

**Applications by honorably discharged men given special attention by airline.**

Men who are leaving the Army, Navy, and Marines are establishing themselves in permanent positions with United Air Lines. The airline reports that many more positions are available and veterans are being given every consideration.

**Veterans with mechanical or technical experience are particularly needed. However, there are other departments at United where openings are available.**

Among the jobs which veterans are now doing and for which more openings exist are station agents, cargo handlers, ticket agents, reservations agents, supply men, and various types of mechanical jobs including sheet metal, radio-electric, instrument service, and line service.

These positions are not only essential to this war industry but offer permanence and opportunities for advancement in the expansion of air transportation after the war.

Employee benefits at United include free home study course, free group insurance, a retirement plan, vacations with pay, half fare air travel, and periodic wage review.

For further information about these positions apply in person at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Ave., or 421 Powell St., San Francisco.

# Marine Infielder Conked--Makes Out; Team Wins, 4-2

Leave it to a marine to pull the unusual, even in baseball.

Second baseman "Buddy" Freese of the San Francisco U. S. Marines secured a putout last week on a ball that conked him squarely on top of the head.

This unusual play happened in the Marine-Oakland Naval Supply Depot game at Washington park, Alameda, last Thursday afternoon, as the Marines won their fifth league victory in six starts, 4 to 2.

With one out in the seventh inning, the Oaklanders filled the bases on two singles and a walk. Martin, Oak catcher, hit one almost straight up and was promptly ruled out by the umpire, on the infield fly rule. Freeze went after the catch, but the pesky pellet impelled by stiff air currents in the strata, cut a few didoes and finally came down on "Buddy's" head instead of in his outstretched glove.

No damage was done, as Marine first baseman Gilbert, standing by, lassoed the elusive pellet in time to prevent the runner scoring from third.

The Marines won the game by bunching seven of their eight hits off "Lefty" O'Rouke, ex-Coast League hurler, in two innings. Russell's single, Kremers' double, an error and a double steal with Kremers on the scoring end, gave them two in the second. Doubles by De La Hunt and Couvillion, and singles by Tschida, Miller and Russell added two more in the seventh. Tschida got thrown out at third trying to go from first on Miller's single, in the middle of this splurge, else a run or two more might have crossed the plate.

But the "Devil Dogs" had enough. Ronnie De La Hunt, big southpaw, saw to that. He kept seven hits well scattered, fanned 11, issued one walk and hit two batters.

### JEFF HI P. T. A. EXECUTIVE BOARD MEETS JUNE 7

The executive board meeting of the Jefferson Union High School P.T.A. will be held Thursday, June 7, at the home of the new president, Mrs. Tina Hollingsworth, Collins avenue, Colma to ratify the new chairman. Preceding the meeting there will be a luncheon at 12 o'clock.

There will be no whist party following this meeting.

# P. T. A. Officers Thank Public For Whist Support

The final whist of the season for Woodrow Wilson P.T.A. was held on Thursday, May 24, at the home of Mrs. Hilda Heagney, 117 Miriam street.

At this time the officers of Woodrow Wilson P.T.A. wish to thank all those who have made these whists such a success and hope to see them again in the fall.

On Tuesday, June 5, at 12:30 p. m. the newly elected president, Mrs. Hazel Marsh, will hold a special board meeting at her home, 301 Wellington avenue to line up her chairmen for the next year.

Luncheon will be served and all executive board members are asked to attend.

The home team scored one run in the first inning, when Kurkowski, on third via a double and sacrifice, essayed a steal of home. From the stands it looked as if Kremers, Marine catcher, had him blocked completely away from the plate, but the umprie waved him safe, and several minutes of hot argument on the part of Coach Sgt. Don McShane and half the Marine team didn't change the decision.

The other Oakland run scored in the fourth, when Askew tripled over Russell's head in right field, and scored on Street's fly to the same territory.

## Woodrow Wilson

The low seventh grade is learning about the causes of the Civil War in the United States and about Abraham Lincoln, our Civil War president.

The sixth grade studied and read about the Indian corn dolls and dances made and performed by the Indians of the Americas. They drew Indian dolls and masks which are on display on the art board.

The boys and girls of one reading group presented a play called, "The Reserve" before the class. The play told the story of some children hemmed in a fort by Indians and of their rescue.

The low fourth has now completed the courses of study on Spanish California and Mexico California. Their next project is "California, One State in the United States."

Room 15 listened to the Standard Broadcast last week, enjoying the music depicting the history of the march.

## Crocker

Last week the students of Room 2 were shown a film entitled "Time." This picture showed the history of the development of timekeeping. It correlated with their new unit "Telling Time Through the Ages."

Last week the pupils of Room 3 saw a film titled "Luther Burbank." They were very interested in the life of a pioneer in science, especially since his home was so close to the Bay area.

The students in the high sixth grade, Room 4, presented a play from their reader "Golden Leaves," to the low seventh which was enjoyed by all the members of the class.

A film "Creative Design in Painting," was shown to the pupils of Room 6. This film dealt with the unit on culture.

## Jefferson

The seventh grade students enjoyed a music appreciation lesson in connection with their social studies "Culture Unit." Among the records played were the "Haydn Minuet," the "Raindrop Prelude," and the "Blue Danube."

In order to have a better understanding of these musical numbers, pictures of the composers and famous artists' interpretations of these compositions, were shown to the class. This seemed to give the class a keener appreciation of the close tie between music and pictorial art.

The sixth grade had an exhibit of their social science unit booklets, this week, that was of unusual interest. The children selected different phases of their unit, "Ancient Civilization." Some of the books showed considerable research that supplemented the classroom work, other work books contained pictures of historical places, ancient art and handicraft.

The books of Sara True, Betty Bauer, Robert Giorni and Nancy Pera received the most commendation from both teacher and class.

# P.T.A. Did Not Give Official Support In Trustee Contest

No P.T.A. organization in Daly or Colma officially backed either candidate in the recent school board election, although some of our readers seem to have gotten that idea through a statement made in the story of the result of that election in last week's Record.

That statement read "Rowley was backed by members of the various P. T. A. organizations," which was true. However, those officers and members who worked for Rowley during the pre-election campaign, were doing so unofficially and without sanction of any P.T.A. organization. No official endorsement of either Rowley or his opponent, Comer, was made by any P.T.A. group.

## Scolari and Dials In Mound Duel As Grossos Win, 3-0

Local baseball fans who came out early Sunday at Marchbanks park were rewarded with as neat a pitching duel as has been witnessed hereabouts for sime time.

It was between Fred "Blubber" Scolari of Grosso Music and Bill "Satchell" Dials of the Shipbuilders. Grossos won, 3 to 0, Dials having one bad inning.

Scolari set the Shipbuilders down with three hits, all singles. He struck out ten and walked three. Dials gave up six hits, with Walsh and Snowden getting two each. He fanned five and walked seven.

The big Negro youngster had one bad inning, the fourth. He fanned Tournahy to get away good in this frame, but Snowden cracked a three base hit to deep left field, and scored standing up as third baseman Hazleton threw the relay into the third base dugout.

This upset Dials who walked four of the next five men to face him. Walsh weighed in with a single and two more runs crossed the plate.

Outside this inning, he was as effective as Scolari. Only two Grosso batters got as far as third in other frames.

Scolari got into a bit of trouble in the fourth, too. He hit Lippi, the first batter to face him in this inning, Shipbuilders started to bunting, and Hopkins and Peterson both beat out infield hits, to fill the bases. At this juncture, Scolari, catcher Bradley, first baseman Walsh and third baseman Snowden uncovered a thrilling double play.

Marlowe bounced to Scolari who tossed to Bradley for the force on Lippi. Bradley's throw to first was too late, to get Marlowe, but Walsh with a rifle throw across the diamond to Snowden, caught Hopkins off third. Scolari walked Hazleton to again fill the bags, but fanned Semino for the last out of the inning.

Shipbuilders were badly handicapped by failure of some of their regular players to show up. Manager Don Grant, the lad who usually plays third base on his knees, went behind the plate and caught a swell game. A utility player was used in center field and the team's mascot was used to play right field. Despite the handicap, the Shipbuilders put up a good game all the way.

Other league games played at Golden Gate park Sunday saw Newman Furnitures taking over undisputed possession of first place with a 6 to 4 decision over Federal Outfitting Co.; Laundry Workers burying Young Christian Workers 15 to 6 in a slug fest, and Western Pipe and Steel and Regal Pales taking close decision from Campi Tavern and Paul's Fountain respectively. Western Pipe and Steel won, 10 to 9 and Regals 7 to 6.

## EMIL FORSELL PASSES AWAY

Death claimed one of Daly City's pioneer residents last Thursday, May 24, when Emil Forsell passed away at his home 292 Los Olivos avenue.

He was the husband of Annie Forsell, father of Mrs. Elsie Holmgren, San Francisco; Mrs. Esther Gillies, Redwood City; grandfather of Dolores Ann Gillies, and brother of Charles Forsell.

Forsell, a resident of Daly City for the past 38 years, was a native of Sweden. A cooper by occupation, he was a member of the Swedish Society and Company No. 2 of the Daly City Volunteer Fire department. He was also a veteran fireman and a commissioner for the fire department.

### Return To Daly City After a Year's Absence

The many friends of Mrs. Edith Ferguson will be glad to know that after being away for nearly a year she has returned to her home at 86 West Moltke street.

Seven months of her absence were spent with her daughter, Mrs. Howard Hosmer of Washington, D. C. For the past two months she has been visiting her sister, Mrs. Jane Wright of Pasadena, California.

Until 1903 Panama was part of Colombia.

# Marines Wallop Simmons Co. Nine 11-3, Sunday

San Francisco U. S. Marines took another top-notch San Francisco semi-pro team into camp at Marchbanks park, Sunday afternoon. Paced by spectacular pitching and hitting by Sgt. Mike Duplinski, aided by high powered bat work by "Buddy" Freese, center fielder Norris and Wally Kremers, they buried Simmons Co. under an 11 to 3 score.

Duplinski started his duties on the mound with a bang. He fanned the first four men to face him, set down the first thirteen Simmons batters to face him in order, eased up a moment in the eighth, when his team was nine runs to the good, to allow the Simmons lads to score three runs, but wound up with a five hit game, and ten strike outs.

In addition, he hit like a "Babe Ruth," pounding out a home run, and two singles. Mike walked his first time up, so his day's average was 3 for 3. Freese hit a double and three singles for four for four, and Norris clipped a three-tally home run drive into the shrubs back of right field in the second inning. Kremers chipped in with three singles in five times at bat, two of them at the right moments.

But all the stars of the game weren't Marines. Fred "Blubber" Scolari, widely known San Francisco basketball star, played third base for Simmons, and how. He walloped three of his team's five hits, two doubles and a single, batted in one run, and although third base seemed to be the favorite range of the Marine batters all afternoon, Fred came up with two put outs and six assists, all of them on exceedingly tough chances.

Scolari's play was all the more sensational since he had just finished pitching his own team, Grosso Music, to a 3 to 0 triumph over Shipbuilders. Story of this game will be found in another column.

The Marines teed off on "Red" Petri, starting Simmons pitcher, early. An infield error followed by singles by "Big Bayou" Couvillion and Kremers netted two in the first. Norris came up in the second with mates Goodale and Duplinski on the bases and crashed Petri's pet pitch some ten feet or more above the wall back of right field for an automatic home run.

The winners rested for two innings, then pried Petri from the mound in the fifth by combining two walks with singles by Kremers and Duplinski and Freese's double for a quartet of scores.

An ancient left hander, Frenni, replaced "Red" in the sixth and got by for a couple of innings. Just to show him he was no better than anyone else, the Marines compiled two runs on three hits and a walk in the eighth. Duplinski started the fireworks with a booming home run to left field. Tschida singled, Miller walked and Kremers singled for the other score.

Simmons players never gave up, and kept the fans in their seats until the last out, with their spirited efforts. Duplinski eased up in the eighth, and the Simmons lads took advantage of it, by counting all their runs on singles by Geraldi and Scolari, two walks and an error.

# NEWS OF OUR MEN and WOMEN IN UNIFORM

Richard Warren Schultz, 24, fireman first class, 492 Santa Barbara avenue, Daly City, is stationed at the Atlantic Fleet's base at Melville, R. I., where he is undergoing training prior to joining a PT squadron in the Pacific.

He received his boot training at the Naval Training Center, Sampson, N. Y.

Schultz, son of Mr. and Mrs. Chester Schultz of the Daly City address, is married to the former Patricia Helgeson, of 30 Ramona avenue, San Francisco. They have an infant son, Richard K.

Schultz attended Jefferson High school and prior to joining the Navy was employed by the Bethlehem Shipbuilding company of San Francisco.

Seventh Army Headquarters, Public Relations Office—Sergeant John W. Kittrell, 22, of Daly City, has recently been promoted from private first class to his present grade sergeant. He is the nephew of Mrs. Louise M. Barnard who lives at 259 Los Banos avenue, and has been in the Army since December, 1942. He came overseas in November, 1944 and is currently serving with the 222d Infantry Regiment of the 42d (Rainbow) Division in Germany.

Sergeant Kittrell entered the service from Daly City. He attended high school in San Diego. Prior to his entry into the service he was employed by the Western Pipe and Steel Co. in South San Francisco. He joined the Rainbow Division in June, 1944, coming from the Anti-Aircraft Artillery Corps. Sergeant Kittrell holds the Combat Infantryman Badge for satisfactory performance of duty in ground combat against the enemy.

Staff Sergeant William Preston has spent the last two week ends with his mother, Mrs. Ida Preston, and his grandparents, Mr. and Mrs. John Hesselein sr., 209 Woodrow street.

After 37 months spent in Australia, New Guinea and the Philippines he returned to the United States on May 16.

At present he is stationed at Camp Beale in Marysville from where he expects to be discharged in the near future as he has more than 100 points to his credit.

Bremerton, Washington — Dino F. Donati, seaman second class, USNR, of Daly City, is now stationed with the Ship Repair unit which is in training at the Puget Sound Navy Yard in Bremerton, Washington. His wife, Margie, lives at 32-A Flournoy street in Daly City.

Donati is a native of Italy and a former student at the Jefferson High school in Daly City. He was a pipefitter employed by the Matson Navigation company in San Francisco until he entered the Naval Reserve in January, 1945. He received his recruit training at San Diego before reporting to the Puget Sound Navy Yard in May, 1945, for "SRU" training.

The Ship Repair unit program trains naval personnel to do the repair and overhaul work which keeps combat vessels in fighting trim. During the training period, the Navy men work with civilian employees in naval establishments where many classes of vessels are undergoing actual repair. Through "SRU" training, the Navy men gain a working knowledge and experience which enables them to function efficiently as a repair unit when they go to advance bases to repair Navy ships.

Samuel Laborwitz wrote the following poem with the help of S. Sgt. Bennie S. Ferrando of 350 Irvington street. Ferrando was born and raised in Daly City and attended both the grammar and high schools. These two boys were with the first California outfit that started at Fort Ord, the 7th division of the 17th infantry.

Out of our foxholes we are longing to creep, and back in our beds where we know we can sleep.

Back to our homes, and all we left behind. Gosh folks that's been our thought for a mighty long time.

Back in "43" we were able to boast of two years in California, defending its coast.

Then it was overseas for bleak frozen Attu, an enemy held island we took back for you.

The taking wasn't easy as you probably all know. The 7th did it fighting in cold and in snow.

The president cited us in that cold and that chill, for taking the island, for holding a hill.

Kiska was next but the enemy hal fled. And there's not another known island where blood wasn't shed.

The Marshalls were well fortified, another spot in the Pacific. But the enemy dead and the loss of equipment was a total terrific.

We were called seasoned troops and taught many things, even assisted MacArthur in invading the Philippines.

Furloughs we thought were surely in sight, for hadn't we done our share in the fight?

But nothing was mentioned nothing was said, instead they prepared for another beachhead.

This time it was Okinawa—an island not far from Japan, another one of those places not familiar to man.

But we're hoping when the fighting is over, and the guns cease to groan, they get around to sending us home.

## County Budget For April Outlays Shows Increase In '44-45

San Mateo county budgeted $186,499 for capital outlays for 1944-45, an increase of $74,286 over the $112,213 budgeted for capital outlays for 1943-44, and two-and-a-quarter times as much as the $81,666 budgeted for 1942-43 the first full war-time year, California Taxpayers' association said today, analyzing the effect of the war on county budgets for capital outlay purposes. Priorities and war shortages held 1942-43 county budgets for capital outlays to low levels.

Many of California's county governments set up good-sized amounts for capital outlays in their budgets for 1944-45, the present fiscal year, compared with those for 1942-43. In thirty-two counties amounts budgeted for 1944-45 were at least twice the amounts budgeted for 1942-43, with nine counties budgeting more than ten times as much for 1944-45.

In the budgets for 1945-46, which are now iin process in many counties, preliminary discussions indicate that even larger sums may be set aside for capital outlay in anticipation of the end of the war.

"The yardsticks of need and of ability to pay should be the measure of capital outlays in peace as well as in war," the association declared. "Each community should consider carefully its particular needs in budgeting for capital outlays. Amounts provided for construction should be only for indispensable needs."

# Lest we forget!

Now that the war is over for Germany, many in this country may feel that it is also over for *us*... that we can now let down, and relax.

Nothing could please Japan more. Nothing would hew so closely to her propaganda line.

We westerners understand this danger perhaps more than others. We may remember Pearl Harbor more clearly. And Bataan, Guadalcanal, Tarawa...

With the war over in Europe, the West will now become the great "marshalling yards" for the final Big Push against Japan. An enormous tide of troops and war materials undoubtedly will pour through to our seaports. Western railroads, housing, food supplies and shipping will be strained with the full weight of the nation's fighting effort.

We say this because—as far as the western railroads are concerned—many civilians may expect victory in Europe to mean better transportation service here. Actually, it may mean *less* room for civilians on the trains.

When the full tide of war traffic comes, we shall call on every resource to handle it. We shall run the war trains through.

First things come first until this war is over—and it isn't over yet.

## P. G. & E. To Conduct Free Tests For Pressure Cookers

Pacific Gas and Electric company will continue this year its offer to test free home-size pressure cookers equipped with dial-type and slide-type gauges in behalf of home canners who desire to know whether their cookers are in proper operating condition. This service is available to all pressure cooker users in company territory at the present time in order to allow ample time for repairs and replacements before canning season starts.

Home canners who wish to have their pressure cookers tested should call the local PG&E office for details regarding when and where in their locality the tests will be made.

The company inaugurated its free testing service last year in an effort to cooperate in every way with the wartime food preservation and in furtherance of its policy of aiding customers whenever possible.

Testing pressure cookers is an essential safety precaution. The University of California Agricultural Extension Service particularly stresses this point and states specifically that all pressure cookers should be tested before each canning season. The reason is that gauges can get out of order and a check with a true gauge is the only means of ascertaining whether or not they are accurate.

Last year, the company's personnel tested a total of 6,300 pressure cookers of which number 10 per cent were found to be unsafe for use. At least 50 per cent of the cookers tested had relief valves that did not function properly.

Before pressure cookers are submitted for testing, it is suggested that safety valves and petcocks be cleaned. This will facilitate the work of the testers and perhaps save an extra test or trip.

Also this year, only the lid of the pressure cooker needs to be taken in, since a new method of testing is being used.

# Local OPA Board News

A thorough check of local clothing stores is being made here by volunteer price panel assistants to determine whether retailers are complying with OPA's price and marking requirements on cotton garments.

The project will cover adults' and children's cotton apparel produced under war production board orders and pre-ticketed by the manufacturer with the retail dollar and cent ceiling price. These garments make up about 65 per cent of the total supply of cotton clothing for civilians.

Most of the local merchants have been cooperating with OPA right from the beginning, but there are always a few who do not live up to their responsibilities under price control. For the sake of the honest we would like to see 100 per cent compliance with price regulations in this community.

The Price Panel will call into conference any retailers found in violation of the pre-ticketing regulation, ask them to calculate the amount of any overcharges found, and recommend a course of action to the OPA District Office. This may involve refunds to customers or settlement of the Price Administrator's Claim for damages. Serious cases may be referred to the OPA District Office for court action. If there is evidence of violation of tagging or pricing provisions by those who supply the retailers, this information will be forwarded to the District Office.

The purpose of this survey is to make sure that consumers are receiving the full benefit of OPA's pre-ticketing regulation on cotton garments.

During the survey, the price panel's volunteer workers will check men's, women's, children's and infants' specialty shops, and variety and department stores.

They will examine merchandise to see whether the store has in stock any garments subject to the pre-ticketing regulation. Select one garment from each of the main types covered, and report to the board on the information carried on the tickets, the supplier's ceiling price shown on his invoice, and the store's compliance with tagging and pricing provisions.

Cheese—There will probably be about 10 per cent more foreign-type cheese on the market this second quarter of the year than during the first three months of 1945. The WFA is permitting dairy manufacturers to make more Swiss, Munster, brick Limburger, all varieties of Italian, and cream cheese during the period because of the high rate of milk production.

While the production of cheddar cheese is up 15 per cent over the first three months of the year, the civilian supply of this cheese will remain the same as in months past. The military and other war uses are taking the increase in production.

# Navy States Volume of Mail Shows Increase

Anticipating a greatly increased volume of mail addressed to men overseas—perhaps as much as 100 per cent of the already staggering volume—the Navy is preparing its facilities, both in personnel and equipment, so its sailors in the war zone and elsewhere in the Pacific will get their letters from home with minimum delay.

The bulk of mail addressed to the Pacific theatre of war passes through the Fleet Post Office in San Francisco.

Navy statistics, carefully kept since the inception of its wartime mail service, already reflect the gigantic increase in the volume of mail passing through San Francisco en route to the ships at sea and the far-away naval bases of the Pacific ocean. In a recent week, for example, the Fleet Post Office dispatched 6,832 pouches of mail to men overseas, but in the same week of 1944 the volume of mail amounted only to a little over 2,000 pouches.

Oddly enough, Navy mail statistics show that the volume of mail addressed to any particular area increases at a greater rate than the increase in personnel on duty in that area, so with the focal point of the war now solely pointing to the Pacific it is anticipated that the San Francisco Fleet Post Office will be called upon to perform a statistically staggering job in getting letters from home on their way to the men at sea. But the Navy, fully aware of the morale value of mail from home for soldiers who have been away many weary, battle-filled months, will get the mail to its men.

At present, Navy airplanes bound for the islands of the Pacific, carry tons and tons of air mail to overseas points, but naval officials again urged both public and servicemen to use V-mail as much as possible in carrying on their correspondence. V-mail enjoys the highest air priority because it is handy to transport and does the job of keeping home folk and servicemen in quick, personalized contact with each other.

One thing the Navy hopes the public will do toward helping it deliver mail to the men overseas is to send clippings from home town newspapers about personalities and events of known interest to them rather than to send the entire newspaper.

Like other types of mail, the volume of parcel post going through the Fleet Post Office in San Francisco also has grown by leaps and bounds. The Navy will go to great lengths to see that packages from home reach its men, but at the same time there is hope that the public will adopt a policy of sending gift packages at varied times in the year rather than to flood the mails at a particular period such as Christmas.

As an average, Navy statistics show, it requires two and one-half months to get a package to an overseas base, and a longer average period to reach a mobile unit such as a ship on patrol or convoy duty. If the public will anticipate the great length of time required to deliver packages as well as the great leaps in the volume of mail going overseas now, the Navy believes it can get the packages to the men even though it has a lot of shortages to contend with—such as the number of personnel it can afford to assign to handling mail and the shortage of vital postal equipment.

### *More Lumber Is Now Available For Civilian Construction*

Although lumber will remain iin tight supply for at least four or five months, an increased quantity will be made available for civilian construction, maintenance and repair during the third quarter of 1945, it was announced today by the War Production Board.

A proposed increase of 13 percent to 1,546,114,000 board feet has been scheduled for this purpose in recognition of the fact that construction activity is an important factor in partial reconversion made possible by V-E Day. This figure does not include maintenance and repair lumber for large industrial users. When the full effect of recent cutbacks in military programs is felt by industrial users an additional 300 or 400 million feet may be available for further expansion of construction activities.

# July 28 Is Date Set For West Point Exams

Congressman Jack Anderson of the 8th Congressional District today announced that July 28, 1945, has been selected as the date for the annual competitive examination for appointments to West Point and Annapolis in 1946. The examinations are conducted by the United States Civil Service Commission and Congressman Anderson has been advised by the commission that all applications must be received prior to June 20, 1945.

Anderson stated that all of his appointments are made strictly on a merit basis and that any young man who is a bona fide legal resident of the 8th Congressional District, and who is otherwise qualified, is welcome to compete. He awards his principal appointment to the candidate making the highest grade in the examination, the first alternate appointment to the candidate making the second highest grade, etc.

Particular attention is invited to the fact that boys who are already in the service are not only eligible, but that every effort is made by their commanding officers to assist them in taking the examination. In this regard Congressman Anderson said: "I am extremely proud to state that two of the three boys who received my principal appointments last year were wearing the uniforms of their country. One of them had taken the competitive examination for the third time and the fact that he obtained the highest grade was a fine tribute to his personal initiative and tenacity of purpose."

Anderson asked that every man who desired to compete write directly to him at his office, 336 House Office Building, Washington, D. C., and again emphasized that all applications must be in his office by June 20 of this year.

# Navy Announces New Restrictions On Sending Papers

After July 1, no more complimentary copies of the Daly City Record can be sent to any member of the Navy (including Seabees), Marine Corps, or Coast Guard (including Merchant Marine) personnel stationed overseas and now receiving their mail through Fleet Postoffices in New York City and San Francisco.

This is in accordance with Post Office Order No. 27851, issued recently at the request of the Navy Department, which wishes to conserve shipping space by preventing all non-essential mailings. This order states no more complimentary copies can be mailed these boys by anyone.

To comply with this order, the Record will on that date have to discontinue mailing papers to 53 sailors, marines, seabees, and merchant marines now receiving complimentary copies. A complete list of these boys is carried below.

There are two ways in which these boys can get the news in which they are interested, after that date. The first, and suggested way, is for parents, relatives or friends to clip those parts of the paper the boys are interested in, and mail them first class. For those families who have more than one boy in the service, and who may need extra copies of the Record for this purpose, we are prepared to furnish such copies, at regular prices.

These servicemen may have complete copies of the Record sent them after July 1 by: (1) Writing a letter to parents or relatives requesting such service; (2). Parents or relatives bringing that letter to Record office so that it may be shown to the Postmaster; and (3). Payment of regular subscription rates of four dollars a year by parents or relatives.

Copies of Postoffice Order No. 27851 are on file at the Daly City postoffice and the Record office.

Servicemen whose complimentary subscriptions are to be discontinued July 1, are:

# SAFEWAY

## for naturally fresh produce

It takes delicious fresh fruits and vegetables to put pep and appeal into Spring meals . . . and Safeway is the place to find really good produce. For Safeway fruits and vegetables are rushed from farm to store . . . naturally fresh . . . so good we guarantee them. Your money back in full if you are not pleased!

### Ideas for Spring Meals

Spring ushers in its own fruits and vegetables that are tonics for the appetite. You'll want to take advantage of the seasonal produce to serve new-tasting dishes that are also attractive to the eye. To bring new relish to the family meals try these recipes.

**CREAMED NEW POTATOES AND PEAS**

Add cooked, peeled, new potatoes and cooked peas to medium thick white sauce, sprinkle with paprika.

**RADISH SLAW**

Combine thinly sliced, washed radishes with salad dressing, season with salt and pepper, and garnish with parsley.

**ASPARAGUS WITH MOCK HOLLANDAISE SAUCE**

Beat 1 egg white until stiff but not dry; fold in 1 cup mayonnaise. Pour to 1½-inch thickness in shallow baking dish; place 4 to 5 minutes under very hot broiler until delicately browned, about 1 minute. Makes 1 cup. Serve over asparagus.

**RHUBARB CREAM PIE**

¾ cup sugar
1 tsp. cinnamon
4 tsps. cornstarch
⅛ tsp. salt
2 cups cooked unsweetened rhubarb and juice
1 tbsp. grated orange rind
3 eggs
3 tbsps. orange marmalade
Baked pastry shell

Combine sugar, cinnamon, cornstarch, and salt; add to rhubarb; and cook about 10 minutes, or until thickened, stirring constantly. Add orange rind and beaten egg yolks; cook 2 minutes longer, stirring constantly. Cool; pour into baked pastry shell. Beat egg whites until stiff and dry; fold in orange marmalade. Pile lightly on pie; bake 15 minutes, or until well browned, in slow oven (300° F.). Makes 1 9-inch pie. Serves 6.

**Private Smith and thousands like him won't die if guns, and planes to**

The Seventh War Loan drive approaches.

It opens May 14—a tremendous challenge in behalf of the greatest cause the world has ever faced.

The quota for this community is high. The majority of it must be investment by individuals through the purchases of "E" bonds.

The war is moving fast — our war — and grea ing fought and w tre of this globa

It is money which this government asks you to lend—at interest—not to give.

This year the government demands a greater investment in "E" bonds—the people's bonds—than ever before. One reason for this is that there will be only two drives this year instead of three as before. Another is that idle money in the pockets of the American people will bring inflation unless that money is invested.

# "OFF THE BLOTTER"

Police news for the past week included the usual items like unruly customers at local bars, traffic violations, youngsters who damage property, even cows that stray over the hills and decide the vicinity of Eastlake avenue and Mission street hold greener pastures, as well as some of the following:

On May 24 at 3:32 p. m. James Bailley, motorman of a No. 14 car struck Joseph Bathory, 85 years of age, 60 feet south of Templeton avenue. Dean Wood and James Smith took Mr. Bathory to the Alemany Emergency hospital in the San Mateo county ambulance and left him there as he is a resident of San Francisco.

Officers came to the rescue of two women who had locked themselves out of their homes. On May 23 Mrs. Hatt, 40 Cavour street had Officer Henry Sundermann pry open the back window in order to gain entrance. On May 25 Mrs. Case 121 South Park avenue, phoned and asked for help for the same reason.

Thomas Naylor, Third and Castle streets, Colma, reported that his car had been stolen while parked in front of the Bank of America at Mission and San Pedro road.

While patrolling on May 30, Officer Benassini found an abandoned Ford coupe at San Pedro road and Washington street. The car was placed in the Daly City garage and the owner was notified.

On May 28 Harold Johnson, son of Martin S. Johnson, 401 Westlake avenue notified the department that his father had been missing since Friday, May 25. On this date he left home to go to Sausalito. He was last seen there.

There were also a number of calls for the ambulance during the week, which included the following:

In response to a call from the South San Francisco police department, Emil Bertelli and Allen Brush took Aida Gagliani, 575 Palm avenue, South San Francisco, to St. Luke's hospital.

On May 29, a Yellow Cab driver notified the department that an injured man was standing by the Post Office building. Roy Beecher and James Welsh found he had been hit on the head and thrown out of a car. He was taken to Alemany hospital and then transferred later to Mission Emergency hospital.

Walter Coolish, 218 Miriam street was taken to Alemany hospital by Officer Savage on May 29 to be treated for a crushed foot.

## NEWS OF OUR MEN and WOMEN IN UNIFORM

Staff Sergeant David H. Johnstone, son of Mr. and Mrs. David Johnstone, 6238 Mission street, returned to the United States May 1 on a convalescent furlough.

On November 11, 1942 he entered the service and has been overseas eight months, during which time he saw action in France, Holland, Germany and Belgium.

He was wounded while in combat in Germany on November 30, 1944 and since that date, until his return to the States, he has been hospitalized in England. At present he is convalescing at DeWitt General hospital, which is located near Auburn, California.

He is entitled to wear the Purple Heart, good conduct medal, European theatre of operations ribbon and combat infantry badge.

His wife, Mrs. Florence Johnstone, resides with her parents at 2613 Octavia street, San Francisco.

## Game Is Postponed Due To Wet Grounds

The baseball game between San Francisco U. S. Marines and Naval Supply Depot Dynamiters of Vallejo slated to have been played at Marchbanks park Wednesday afternoon, was ordered postponed at noon Wednesday by Marine officials, although the infield was dry at that time, and only a few wet spots marred the outfield. The postponement disappointed hundreds of San Francisco and Daly City baseball fans, who turned out for the contest.

No definite date for playing the game had been set at the time the Record went to press, so fans who may desire to see it, will have to watch the daily papers for the date, probably some day next week.

The Marines have two games scheduled for next week, both on foreign diamonds. Sunday, they travel to Alameda to play the Maritime Officers' Training School nine at Washington park at 11:30 a. m., and Wednesday they go to Port Chicago to meet the Port Chicago Cubs in a league game.

# NHA Authorizes 7500 New Homes For S. F. Bay Area

Official approval of a program authorized by the National Housing Agency for the construction of seventy-five hundred housing units in the San Francisco Bay metropolitan area has been announced by D. C. McGinness, director of the Federal Housing Administration for Northern California.

The localities and their respective number of units are as follows:

East Bay area, twenty-five hundred units.

West Bay area, twenty-five hundred units.

Marin county, seven hundred fifty units.

Suisun Bay area, seven hundred fifty units.

North Bay area, seven hundred fifty units.

San Pablo Bay area, two hundred fifty units.

As a general rule, the program appropriates twelve percent of this housing for the use of individuals who wish to build their own homes, and about seventeen per cent for the benefit of renters. The balance may be constructed for sale.

All persons, owner-occupants and builders alike, must apply to the Federal Housing Administration for preference ratings or priority assistance prior to the beginning of construction. Preference will be given to applications involving owner-occupancy. These applications must be filed on War Production Board Form 2896, available at FHA headquarters, 315 Montgomery street, San Francisco, or generally, at any bank or other lending institution approved by the FHA.

McGinness announced that it would simplify matters if the owner-occupants would work out their preliminary plans with their contractors prior to filing their applications. At the time of filing, applicant should present evidence of the ownership of the lot on which he wishes to build, and his ability to proceed with the actual construction as evidenced by his agreement with the contractor and by adequate plans and specifications.

Builders who propose to construct units for sale under the program are invited to visit the FHA headquarters and familiarize themselves with the regulations appertaining thereto, if they do not already have this information.

After the owner-occupant has obtained his priority rating, he may go to the lending institution of his choice and arrange for an FHA insured mutual mortgage loan to assist him in the financing of the unit.

In dealing with speculative builders, it will be the purpose of the FHA to distribute the priorities as widely as possible, therefore no large blocks of priorities will be distributed to any large building organization. Modifications of this policy are anticipated as further construction quotas are approved by the National Housing Agency.

## New Babies

Mrs. (Chikie) Evelyne Continolo, one of last year's June brides, became the mother of a 6 lb., 9 oz. baby girl on Thursday, May 24, at St. Mary's hospital.

The proud father is Frank Continolo, machinst mate 3/c who is now serving with the Seabees somewhere in the South Pacific.

Mother and baby are doing nicely and father as well as could be expected.

The happy parents were both born and raised in Daly City. Mrs. Continolo is the former Evelyn Swinyer.

The site of Mexico City was that of Tenoctaitlan, the sacred "home of the gods" of Mexico.

# New Ruling Announced By U. S. Marine Corps

Limited duty ex-Marines discharged since last March 1 for the convenience of the government will be given honorable discharges under a new policy announced by the Marine Corps today.

The men formerly were granted discharges "under honorable conditions." They will receive their new certificates upon application to Marine headquarters in Washington, D. C.

The new ruling also will apply to limited duty men discharged in the future for the convenience of the government, according to the announcement.

Limited duty men, not fit for combat because of overage, physical defects, or disabilities acquired since entering the service, upon their own application have been discharged "under honorable conditions" since last March 1. Before that time, they received honorable discharges.

The new policy will apply only to those men whose proficiency ratings were above 3.8 and whose conduct ratings were above 4.0. Limited duty men whose markings are below those figures will continue to be discharged "under honorable conditions," the Marine Corps said. Also ineligible for honorable discharges are men who receive two summary court martials or one general court martial.

## LOUIS ASHER FUNERAL SERVICES HELD MAY 29

Louis Asher, 43 Mateo avenue, passed away May 27. He was the husband of the late Marie Asher and father of Louis jr., U. S. Navy, Clarence Asher, Mrs. Pearl Thomas and Mrs. Opal Watkins; grandfather of Ann Marie Watkins, Bernice Thomas, Michael and Robert Asher; brother of Bernice Kirkpatrick and friend of Martin Lewis.

He was a member of the Chauffeurs' Union, Local 265, A. F. of L.

Funeral services were held Tuesday, May 29 at 3 p. m. from the mortuary of Julius S. Godeau, inc., Van Ness avenue.

# Jefferson Hi Boy Stars On Mound

Paging Coach Hall of Jefferson High School's baseball team. A young Jefferson lad, "Red" Decker, showed plenty of promise on the mound Sunday morning at Marchbanks park, when he pitched the first five innings for Buzz' Shamrocks against O'Neill Drugs.

The Druggists won the game 5 to 0, but scored a big share of their runs off Dick Pera, who replaced Decker on the mound in the sixth. The Shamrocks could get only three hits off Urich, O'Neill hurler, with first baseman "Doc" Savage picking up two of them. Andrini and B. O'Neill divided the winners' four hits between them.
